Beauty in Metal

Molla metal furniture, with the tasteful simplicity and clean lines which are the hallmark of contemporary design at its best, is timeless in its appeal. Truly functional furniture, it is equally at home indoors or outdoors. The creation of Charles P. Molla, pioneer stylist in metal, this furniture embodies smart design with skilled craftsmanship.

Distinctive pastel colors add a rich, decorator touch to these pieces. They are available also in traditional white.

Comfort is a Molla keynote. Spring-filled box cushions invite relaxation in roomily proportioned upholstered pieces. Here is the kind of gracious furniture that spells ease and comfort.

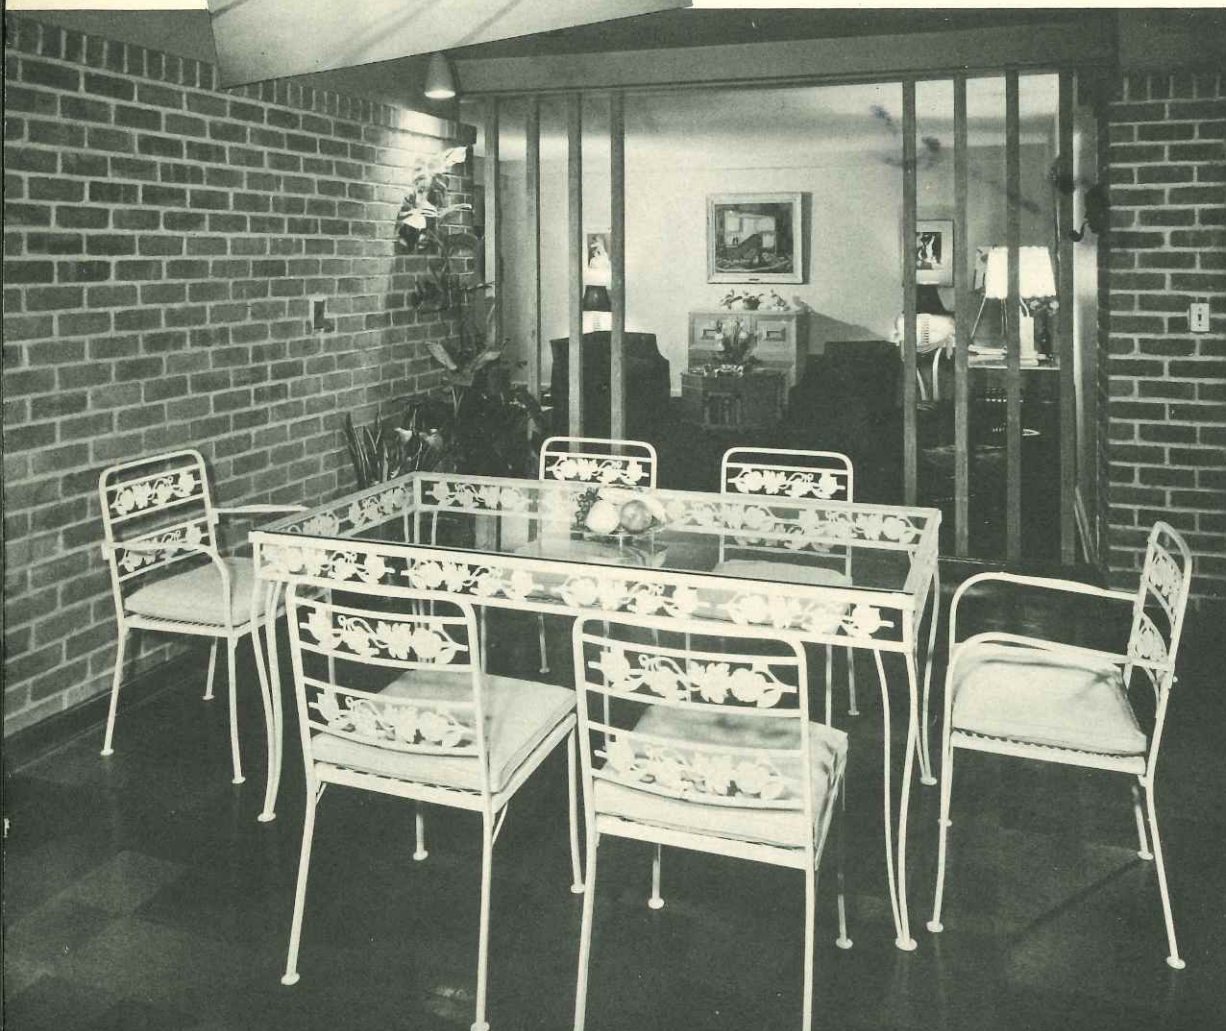

Choose from a wide selection of colorful prints, or sturdy plain fabrics reverse-coated to defy moisture and mildew. Molla furniture may be covered in your own fabrics.

Each piece illustrated here is an investment in furniture of lasting beauty.
